UKRAINE
України

In the context of the war in Ukraine, the Regional Center for the Integration of Foreigners in Liège (CRIPEL) is mobilizing to inform and support Ukrainian nationals (information, assistance, procedures and useful advices, etc.)

**In this
context,
the CRIPEL
organizes in
particular :**

Social services with or without interpreters (individual support in administrative procedures, social assessment and inventory of needs). For example, for questions relating to social assistance, family allowances, mutual insurance, housing, children's schooling, mobility, etc ;

Orientation towards the operators in charge of learning French as a foreign language ;

Guidance and support for operators who provide training related to daily life in the area :
housing, health, family, teaching...

Group sessions :

- > A 2-hour "Daily life" module, inspired by information sessions on rights and duties provided as part of the integration course and citizenship courses (how Belgium works from the point of view of housing, health , education, social security, etc.) ;
- > A legal module on issues related to the right of residence, family reunification, family law, etc.
- > An information session on socio-professional integration (access to the labor market, equivalence of diplomas, etc.).

We work in collaboration with an interpreting organization, the Walloon SETIS.

A Ukrainian interpreter can provide translation during your meetings.

Do not hesitate to contact us.
